

Sir

Your fly Infiuations against my Ancestry and People fall on deaf Ears for I take Pride in where I come from and what I am *viz.* a loyal Defender of the Realm.

In the same Fashion your disingenuous pleas of Innocence ring false in the Ears of honest Christian Men. You know that which you have done. We know you for what you are.

Your Threats of Law are Hollow. We are honoured to bear his Majesty's Commiffion unlike, I note, your own Society for Ineffectual Meddlers and Popinjays. That you evaded us this Once and have, I grant, successefully concealed the manifest Substance and Evidence of your undoubted Guilt on this occasion is more likely Testamony to the furtive Cunning of your Race rather than Innocence in your own Person.

It is the Principal of the League of which I have the Honour to be a Member that no Threat of Witchcraft against the Realm shall go unpunished. If you are False I shall not rest but I seek you out and destroy you that this Realm shall be one small Meaufre Purer in Spirit and Flefh and safer in the Hands of the Lord and the anointed Rule of the His Majesty.

I have the honour, Sir, to be

Post Scriptum.

As Christian however I must bear in Mind the Possibility that I might be mistaken, or indeed that you are if not true Innocent then an unknowing Dupe. Come to me with Evidence of your Innocence or Excuse of your Error I shall examine it and inform my society according -KP
